BEYOND THE MISSISSIPPI!

BEYOND THE MISSISSIPPI!

Thousands have already gone, and thousands more are turning their eyes towards new homes in the fertile West. To those going to Missouri, Kansas, Nebraska, Colorado, Utah, Wyoming, Nevada, Oregon or California, we recommend a cheap, safe, quick and direct route, via St. Louis, over the Missouri Pacige Ratiroad, which runs its fine Day Coaches and Pullman Sleepers from St. Louis to principal points in the West, without change. We believe that the Missouri Pacific Ratiroad has the bost track and the finest and safest equipments of any line West of the Missisappi, and its connections with roads further West are prompt and reliable. The Texas connection of this road is now completed, and passengers are offered a first class all-rail route from St. Louis to Texas, either over the Missouri, Kansas & Texas R. R., via Sedalia, or over the Atlantic & Pacific R. R., via Vinita. For maps, time tables, information as to rates, routes, &c., we refor our readers to S. H. Thompson, Eastern Passenger Agent, Columbus, Ohio or E. A. Ford, General Passenger Agent, St. Louis, Missouri, Questions will be promptly and cheerfully answered!

A NEW BEAUTIFYING AGENT .- All dentrifices had their drawbacks, until the salubrious bark of the soap tree was brought from the Chilian valleys, to perfect the fragrant Sozodont, the most delightly article for the toeth, that a brush was ever dipped into.

THE OAR LEAF, -The genuine Charter Oak Stoves have an oak leaf on the side doers, and are stamped with the name of "Giles F. Filley, St. Louis.

When buying one of them, therefore, look out for these proofs of genuiness, and reject all that do not have them.

THE TRUTH.-In the whole United States there is not a baking powder or flavoring extract, that is so valuable, so positive, so effectual in producing the most elegant and healthful bread and biscuits. the most delicious, desirable, and delicate flavored cakes, pastry, ice cream, etc., as Dr. Price's justly celebrated Cream Baking powder and special flavorings, almond, lemon and aromatic flavors. Try them and you will be delighted with their true qualities and find that they are far superior to anything in their time.

Case.—I have been troubled for the last thirty years with salt rheum on my hands. They have been so at times that I have been unable to use them for any purpose for which they were intended. I was advised by a friend of mine, who had used the K. of the B., to try it. I did so. Have used seven bottles, and to all appearances my hands are well. They look and feel as though an entirely new skin had been formed.
